

PECO eDNA Sampling Data Sheet

PECO region name:					
Participant Names:					
Site name:					
Date (YYYY/MM/DD)					
Weather Observations:	<u>circle the most accurate</u>				
	Swell height (meters): 0-0.5 0.5-1 1-2 2-3				
	Tide: low ebb slack flood high				
	Wind: none light medium high				
	Rain: none light medium heavy				
Sample collection details (approx. mean across samples at sampling depth)					
salinity:					
temperature:					
collection method:	from boat		from foot		
bottom depth (m)					
seagrass presence:	present		absent		
seagrass notes					
GPS latitude (one per site)					
GPS longitude (one per site)					
Describe direction of sampling transect (10m apart, consistent depth)					
eDNA Sample Tracking					
Sample ID	Collection time ("NA" for Control)	Filter Time	Control (Y/N)	filtered volume (mL)	Notes
